

DEFERMENT, SUSPENSION AND CANCELLATION POLICY

PREAMBLE

Students may, in limited circumstances, request a deferment or temporary suspension of their studies during the course. The limited circumstances that a request may be made are set out in National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018 (National Code) Standard 13.

The College may also suspend or cancel a student's enrolment against the student's wishes, provided that such suspension or cancellation is consistent with the College's policies and/or Australian Law. Before suspending or cancelling a student's enrolment the College must notify the student of its intention to take such action and allow the student 20 working days to access the complaints and appeals process (see: Student Complaints and Appeals Policy). If accessed, the College must not notify Department of Education of a change to the enrolment status until the internal complaints and appeals process is completed.

The College must in all cases, inform the student that deferment, suspension or cancellation of enrolment may affect his or her student visa.

English Unlimited must report to Department of Education via Provider Registration and International Student Management System (PRISMS) when a student's enrolment is deferred, suspended or cancelled.

IMPORTANT: A student may be excluded from class as a disciplinary measure. An exclusion from class is different to a suspension of enrolment, which means to temporarily put studies on hold (adjourn, delay, postpone) and which must be reported on PRISMS. An exclusion from class will not be reported on PRISMS.

9.1 The table below shows how the deferment, suspension or cancellation of enrolment will affect PRISMS:

Reporting event change on PRISMS	
Where the deferment or	There is no change to the CoE

suspension will not affect the end date of the CoE	or the student’s enrolment status on PRISMS. NOTE: The student’s CoE status will still be listed as ‘studying’. However, the notice of deferment or suspension will be recorded in PRISMS and sent on to the Department Home Affairs. This information will be kept for future reference.
Where the deferment or suspension will affect the end date of the CoE	PRISMS will cancel the original CoE, and immediately offer the College the opportunity to create a new CoE with a more appropriate end date. NOTE: If the College does not know when the student will return, it can choose not to create a new CoE at that point, but to wait until the student has notified the College of the intended date of return before creating the new CoE.
Where the student’s enrolment is permanently cancelled (terminated)	The student’s CoE status will be listed as ‘cancelled’.
