Have a great time in Australia and here at EU.

### **Ivan Kumar – Academic Manager (National)**

It is with great pleasure that I welcome all of you to English Unlimited. We want every single student to have an amazing experience in Australia and develop not only their English skills but

## YOUR FIRST DAY AT ENGLISH UNLIMITED

improve their confidence to become global citizens. Through the quality of the teaching and learning, our student support and our commitment to excellence, we create the building blocks of success. Coming to a new country is a big step and our aim is to support you on this journey. At English Unlimited, we want to go beyond learning and help students develop life skills that will benefit them long after they have graduated. I hope you enjoy this adventure that you are about to embark on.

- a) On the first day you will be given a placement test and interviewed to assess the level of your English and so you can tell us about your academic goals. Then you will be given a tour of the College, and join orientation where we tell you important things about English Unlimited and Australia.

- b) You will have your photograph taken for your **student card**. Please collect your student card from Student Care.
  
- c) You will then join your classmates. Don't worry if you cannot understand everything your teacher says during the first week of classes - we do not expect you to understand everything! It takes a little time to adjust to new accents and teaching methods.

## ORIENTATION MANUAL

*This Orientation Manual covers many of the areas you should be aware of as a student at EU. Please make sure you are familiar with all the items it contains. The following entries are in alphabetical order for easy reference.*

### **ACADEMIC PERFORMANCE**

English Unlimited expects that all students maintain a minimum level of academic performance at all times. Course progress for ELICOS students is monitored through weekly class tests and 6 weekly Class Progress Tests (CPTs). Students who are identified as taking more than an acceptable amount of time, i.e the amount of time taken to complete 10 weekly tests and 2 progress tests, to progress are referred to academic management for the purposes of setting up additional language support. This may be in the form of additional homework or out-of-class language activities, attending additional catch up classes for ELICOS students and one-on-one language support for ELICOS students.

You will be given a letter outlining the consequences if you fail to achieve satisfactory progress. Where a student continues to have difficulties and is identified as having not made satisfactory course progress within a Study Period an intervention strategy will be initiated in accordance with the Intervention Strategy Policy.

The College will do everything it can to help you with your studies. However, if you still do not achieve satisfactory progress after being assisted by the College, we must report this to the Department of Education via PRISMS. You will receive a notice of intention to report which includes information on accessing an appeals process.

If you believe that you have been treated unfairly, you may make an appeal through the College's complaints and appeals process.

Until you are advised by the Department of Home Affairs (DHA) that you are no longer on a current visa, you will still be allowed to attend classes as long as your fees are up-to-date.

### **ACCOMMODATION**

Living with an Australian family is called Homestay. Homestay is an excellent introduction to the Australian way of life and provides a great opportunity to practise speaking English. Students will be treated as part of the family by their hosts.

The fee for homestay covers: 7 breakfasts, 7 dinners and 2 lunches on the weekend

Single rate: student's own room, with a bed, a desk for study and wardrobe

Shared rate: 2 students sharing one room with bed, desk and wardrobe

The minimum length of stay in a home is 4 weeks. If students wish to leave their homestay they must inform their host 2 weeks before they leave. This is called 2 weeks' notice.

For information about homestay, shared accommodation or other types of student accommodation please talk to the Student Care team.

## ADDRESS

Any student visa student who moves to a new address must notify the Department of Home Affairs (DHA) and the College immediately. It is a requirement of your visa that you inform both.

## ATTENDANCE

**VERY IMPORTANT** – The College expects all students to maintain an attendance level of 100%. All overseas students on a Student Visa must attend classes for 20 hours per week and maintain an attendance rate of at least 80% at EU. This is a condition of your Student Visa.

- a) The College is only able to calculate attendance based on a student's actual time studying in class. If a student is away from class for any reason, including medical reasons, then the time away will be deducted from the student's attendance (*see also Medical certificates*).
- b) Students on other visas – working holiday & travel, dependant – you must also attend a minimum of 80% of your classes and study 4 weeks or more if you want to receive a REPORT from your teacher at the end of your course.
- c) If you arrive at the College 10 minutes after the start of class, leave more than 10 minutes early or are out of the classroom during lesson times for more than 10 minutes, you will be marked absent for each hour that this affects. This will affect your overall attendance.
- d) Remember if you are on a student visa and you want to continue your studies at EU, go to University or another college, or if you want to change your visa to another visa you must have an attendance of 80% or more. It is your responsibility to come to class every day and to maintain your attendance.

If your attendance falls below 87% you will be sent an email warning you about your attendance and asking you to see Student Care. If you still do not maintain satisfactory attendance and your attendance falls below 80% we must report this to the Department of Education via PRISMS. You

will receive a notice of intention to report which includes information on accessing an appeals process.

If you believe that you have been treated unfairly, you may make an appeal through the College's complaints and appeals process.

Until you are advised by the Department of Home Affairs (DHA) that you are no longer on a current visa, you will still be allowed to attend classes as long as your fees are up-to-date.

### **BANKING**

Many banks allow you to apply for bank accounts online. You can also apply at any branch. Make sure you take your passport as proof of identification. You may need to also provide proof of your address. Ask at Student Care for a letter of enrolment with your address. Remember to close your bank account before you return to your country.

### **CAREERS & EDUCATION ADVICE**

For information on what to study later at university or elsewhere, please see the Assistant Academic Manager.

### **CHILDREN AND BABIES**

The College does not have child-minding facilities. If you have children younger than school age you will need to make arrangements with a daycare or pre-school facility. Any school age children attached to your visa should be enrolled in a local primary or high school.

### **CLASSES**

If you have a problem or question about your class (for example, homework, your studies, queries about grammar, pronunciation or vocabulary) first talk to your class teacher. If your teacher cannot help you, then talk to the Assistant Academic Manager.

- Brush your teeth morning and evening after meals.
- Wash your hands before meals and after using the toilet.
- Wash your clothes regularly and wear clean fresh clothes to College.

## **CLEAN UP AFTER YOURSELF**

Make sure you don't leave your notes, learning resources, homework, assignments or notebooks behind in the classroom after a class has finished. Please do not eat in the classrooms during lessons or leave litter in the classrooms, lifts or around the entrance to the building.

Place all rubbish in the rubbish bin provided in each classroom or other area.

## **COMPUTER USE**

Computers are available during class and after class.

Students should NOT:

- download any files to the computers;
- work in ways that will disturb other users;
- make unauthorised copies of software on College computers;
- use the computer rooms to play online games;
- breach Australian copyright regulations;
- attempt to gain unauthorised access to system programs or computer equipment;
- remove any computer equipment from the computer rooms;
- send unwanted emails (spam) from College computers;
- communicate in a manner that is inappropriate to a public forum or knowingly search for offensive material;
- eat or drink in the computer rooms;
- enter a lab when a class is in progress.

Students who breach the acceptable use guidelines outlined above may be excluded from computer use.

The College computers delete files when they are shut down or restarted. Please make sure that you save your documents on an external drive e.g. USB or to Google Drive using your college email account. The College is not responsible for any data you may lose if you do not follow this procedure.

## **COUNSELLING**

See *Personal Problems* for more information.

## **CRITICAL INCIDENTS**

A critical incident is a serious or traumatic event or the threat of such an event that causes stress, fear or injury to a person, in Australia or overseas. Such incidences include serious injury, illness or death, a missing person, severe verbal / psychological aggression or physical assault, witnessing a serious accident or incident of violence, natural disaster, epidemics, etc. In the event of a critical incident, students are encouraged to contact the relevant emergency contact or government agency. If these services are unavailable, then contact the Student Official Point of Contact in the city in which you are located to discuss your situation. See *Staff at English Unlimited* for contact details. The Critical Incident Policy is available from Student Care or the College website [www.eu.edu.au](http://www.eu.edu.au).

## **DEFERMENT/SUSPENSION OF STUDIES**

Deferment of commencement of study requested by student – The College will only grant a deferment of commencement of studies for compassionate and compelling circumstances (refer to the Deferment, Suspension and Cancellation Policy for more details). The final decision for assessing and granting a deferment of commencement of studies lies with the Campus Director/Manager.

**Suspension of study requested by student** - Suspension means the course is halted for a limited period of time after the student has commenced studying.

- a) Once the student has commenced the course, the College will only grant a suspension of study for compassionate and compelling circumstances.
- b) The period of suspension will not be included in attendance calculations for the College.
- c) Where a student is granted an extended period for suspension of study and is remaining in Australia for the duration of the suspension, the College may decide to make the suspension conditional upon regular meetings with the College Student Care staff, if there are concerns about the student's welfare and support network.

**Exclusion from class** - The College may exclude a student from class studies on the grounds of misbehaviour by the student. Exclusion will occur as the result of any behaviour identified as grounds for exclusion in the College's Student Code of Conduct. (See *Student Code of Conduct*)

**College-initiated suspension of studies** - The College may initiate a suspension of studies for a student on the grounds of misbehaviour by the student. Suspension will occur as the result of any behaviour identified as grounds for suspension in the College's Student Code of Conduct. (See *Student Code of Conduct*)

**Cancellation of enrolment** - The College will cancel the enrolment of a student under certain conditions. Please refer to the Deferment, Suspension and Cancellation Policy on our website for the conditions of the cancellation of enrolment.

**Student Advice** - Deferment, suspension and cancellation of enrolment can have an effect on a student's visa as a result of changes to enrolment status. Students are advised to contact the Department of Home Affairs (DHA) for advice.

## DICTIONARIES

We strongly suggest that you buy an English - English dictionary or use a digital or online dictionary. Please ask your teacher to recommend a good dictionary.

## DISCIPLINE

Good behaviour is important to us. The College expects students to behave in an acceptable way at all times and to abide by the following principles in relation to behaviour:

- respect for other individuals and their property
- courtesy to all other students, to all teachers and to all community members
- due respect for teachers
- no violence, discrimination, harassment, bullying or intimidation
- no weapons
- no illegal drugs or alcohol on College property
- peaceful resolution of conflict

## Suspension and expulsion

The College reserves the right to exclude either temporarily or permanently any student who is a serious offender against good order and discipline. If a student is permanently excluded due to violence, discrimination, harassment, bullying or intimidation the relevant government department will be informed and the student's COE will be cancelled.

## DRESS CODE

The College does not have a formal dress code, however students are expected to be dressed in a tidy manner.

## EMERGENCY PROCEDURES

Study the exit map on the wall of your classroom. If there is a fire:-

- An alarm will ring.
- Follow your teacher to the allocated EXIT. You have to leave the building quickly, so please leave your books and bags behind. Your teacher will take a group photo before leaving the room for the headcount at the assembly point.
- Walk calmly out of the building and refrain from excessive talking.
- Your teacher or a fire warden will take you to the assembly point. You must go to the assembly point and have your name marked off the Class Roll.
- Your teacher will take a group photo at the assembly area for the final headcount.

Every 6-12 months the College conducts a fire drill. Do not be alarmed when this happens.

## EXCURSIONS

Teachers sometimes organise excursions for their classes. These provide important opportunities to experience aspects of the city directly relevant to your course of studies. Excursions form a normal part of the learning experiences provided by the College. They should, therefore, be attended by ALL STUDENTS in the class.

Excursions are often free of charge but there may sometimes be a bus or train fare or entrance fee to be paid. Wherever possible, the College tries to keep these fees and charges to a minimum.

## EXITS

Make sure you are familiar with the location of Exits at your campus.

A graduation ceremony is held every Thursday (Friday in class for evening students). Every graduating student will receive a certificate. If you have completed 4 weeks or more study and have an attendance of 80% or more you will also be eligible to receive a class report.

## GRIEVANCES (COMPLAINTS)

A grievance is a problem you might experience with the College about something that has happened which you believe is unfair. Generally, the first person to see about this problem is your class teacher or Student Care for an informal resolution of the complaint.

Please do not be afraid or shy to speak to one of the staff at the College. It is not impolite to ask questions or to tell the staff about your feelings. We want you to enjoy your studies and your stay at EU - there is always someone here to help you. *Remember! We cannot help you if you do not ask us for help.*

If the problem cannot be resolved informally put your concerns in writing using the College's grievance form. Grievance forms are available from Student Care or the College website [www.eu.edu.au](http://www.eu.edu.au). All internal appeals processes will be at no cost to the student or staff member and will commence within 10 days of lodging the complaint.

If grievances are not resolved after discussion with the College, students will have the right to lodge an external appeal through the Overseas Students Ombudsman. There is no fee to lodge an appeal to the ombudsman.

## LIVING IN AUSTRALIA

### Australian people

Australians are friendly people and quite informal.

Don't forget different countries have different customs. We say 'please' and 'thank you' a lot and always say 'excuse me' when we talk to a stranger or to someone who is busy.

It is okay to shake hands when you meet someone - or just smile and say 'How are you?'

Australians use first names a lot, but with older people wait until they ask you. Call them 'Mr Smith' or 'Mrs Smith' or by their first name if they ask you.

## Climate

The weather in Brisbane may change many times during the day. During the spring and summer months temperatures can range from 15 degrees Celsius to 40 degrees, in the middle of the day. You should dress lightly but always carry a light sweater or cardigan for the evenings. During autumn and winter, the temperature ranges from 5 degrees to 15 degrees Celsius. You should wear a jacket or coat, especially in the city, where the wind is strong and cold. Although it does not snow in Brisbane, winter is very cold because most homes do not have central heating.

Melbourne has a reputation for its changeable weather. A tip for any visitor is to be prepared for anything – take an umbrella and wear layers that can be worn or removed as needed. As a general rule, Melbourne enjoys a temperate climate with warm to hot summers, mild and sometimes balmy springs and autumns, and cool winters.

The weather in Sydney may change many times during the day. During the spring and summer months, temperatures can range from 15 degrees Celsius to 40 degrees, in the middle of the day. You should dress lightly but always carry a light sweater or cardigan for the evenings. During autumn and winter, the temperature ranges from 5 degrees to 15 degrees Celsius. You should wear a jacket or coat, especially in the city, where the wind is strong and cold. Although it does not snow in Sydney, winter is very cold because most homes do not have central heating.

## Water use

Australia is a dry country and has water restrictions in place to limit the amount of water that is wasted. Please remember to turn off taps, limit the length of time you leave water running when you clean your teeth, take a shower or wash your hands. If you own a car use a bucket to clean your car instead of a hose. The water authorities in each state impose heavy fines for water wastage.

## Safety

Australia is considered to be one of the safest countries in the world. However, like in all countries/major cities, undue risks should not be taken. For example, avoid poorly-lit areas at night time, do not provoke undue attention to yourself with loud behaviour, dress etc. and take care of your valuables and belongings at all times. If you are not familiar with the city or if you must travel at night, travel with a friend. Also do not accept a ride in a car from someone you do not know, even if they seem friendly or helpful.

## LOST PROPERTY

Any items found in the College should be taken to Student Care to be placed in the Lost Property box. If you lose something in the College, check with Student Care to see if it has been handed in. Any items not claimed after three months will be donated to charity.

**MEDICAL CERTIFICATES**

The College only accepts certificates issued by registered medical providers such as hospitals, doctors, dentists, physiotherapists, chiropractors, optometrists, ophthalmologists, psychiatrists and psychologists. The College does not accept certificates from alternative medical practitioners such as herbal practitioners, acupuncturists, Chinese therapists, massage therapists, iridologists, psychics etc. See: *Attendance* for further information.

**MOBILE PHONES**

ALL mobile phones must be switched off while you are attending classes unless mobile devices are being used for class tasks. It is very rude to your fellow students and your teacher to accept calls in class. If you need to be contacted urgently while you are attending class, you can inform potential callers, prior to class, to leave a message with Student Care.

**NOISE**

It is courteous and considerate not to make excessive noise at the school. Please be especially careful about being quiet when exams are taking place in nearby rooms. At the city campuses please remember to be quiet when entering and exiting the building.

**OPTIONAL CLASSES**

EU has a number of policies and procedures in place to guide and assist you during your time studying in Australia. You may want to know what to do if you have a complaint, have experienced a critical incident or perhaps you want to know more about the rules on attendance, course progress or transfers, etc. We have a policy to help you in every aspect of student life, just ask us! If you find yourself in an unclear or challenging situation, please visit our team at Student Care or refer to our website to check our policies:

<http://eu.edu.au/applications/forms-and-downloads/#policies-and-procedures>.

## STUDYING IN AUSTRALIA

This section will explain some of the differences you can expect while studying in Australia. Studying in Australia is very different from some other overseas countries, particularly countries that do not have a Western Academic tradition.

In some courses you will not write as much as you may be used to because the emphasis will be on speaking English and on listening to and understanding English when it is being spoken. This is the case in General English where all skills are covered but there is more speaking and listening. Teachers may ask you to work together with one or more other students, talking together, solving problems and working in groups. This is part of the Communicative teaching method where you actually have to use English to communicate with your classmates. Exam preparation programs will focus on the skills you need to successfully complete these exams.

You will find that there is less memorising required of you and more thinking and judging. Teachers will ask you to speak in class and they will expect you to “approach your studies with a critical and questioning mind.”<sup>1</sup> You will be asked to discuss topics, think about issues

surrounding topics, then form your own opinions and defend those opinions both in the spoken and written form. Your teacher will want to know what YOU think and feel. You will also learn about very *practical issues* that will help you to adjust to Australian culture. (For example, you will learn how to ‘catch a train’, which name is appropriate to offer in conversation, how to fill out forms and other practical matters). These topics are teaching you English.

You and your teacher will go out of the classroom together and this will benefit you in practising English as well as learning more about Australian culture. You will use these short trips and excursions to practise the skills required, to complete tasks set. Enjoy this new challenge in your life and try to adjust to thinking for yourself, expressing your opinions, asking questions and speaking a lot of English.

So....the challenge you face is not just ‘learning English’. You must learn to adjust to the new style of teaching and learning too.

## TIPS FOR SUCCESSFUL STUDYING

Speak English outside the College as much as you can! Try to mix with students of other nationalities on the weekend and in the evening.

Try to find some activity or interest that will give you a chance to practise - e.g. learn a sport, go to an art class, join a church etc.

Read a newspaper as often as you can. Listen to the radio, watch TV (watch the News), read advertisements and posters and signs. English is all around you!!

Speak English in class at all times. Your English will not improve if you’re relying on your own language to communicate.

## TESTS AND REVIEW

Course progress for ELICOS students is monitored through weekly class tests and 6 weekly Class Progress Tests (CPTs). Students who are identified as taking more than an acceptable amount of time, i.e the amount of time taken to complete 10 weekly tests and 2 progress tests, to progress are referred to academic management for the purposes of setting up additional language support. This may be in the form of additional homework or out-of-class language activities, attending additional catch up classes for ELICOS students and one-on-one language support for ELICOS students. Where a student continues to have difficulties and is identified as having not made satisfactory course progress within a Study Period an intervention strategy will be initiated in accordance with the Intervention Strategy Policy.

## TEXTBOOKS AND STUDY MATERIALS

You will receive your textbook from Student Care on the first day before you go to your class. If your course is less than 5 weeks, you will be given a copy of sections of the textbook.

## TOILETS

Separate male and female toilets can be found at all campuses. If there is no toilet paper in the toilets, please inform Student Care. Please dispose of all sanitary pads (etc.) in the container provided in the female toilets. Put all paper towels in the bins provided.

## TRANSFER REQUESTS

### 1. Transfer to another education provider

Overseas students are restricted under the National Code 2018 Standard 7 from transferring from their principal course of study for a period of six months and, only under certain circumstances, can the student transfer their course in under six months. This restriction also applies to any course(s) packaged with their principal course of study.

Students can apply for a release to enable them to transfer to another education provider. However, EU will only release a student in the first six months of their principal course under certain circumstances.

### 2. Transfers between English Unlimited Sydney, Brisbane or Melbourne

Please see Student Care to discuss this possibility. Transfers between states are subject to the availability of space in your preferred course and level. Please note, a COE processing fee may apply.

## TRANSPORT

Public transport is very easy to use in and around the CBD.

In Brisbane you will need a Go Card. To purchase a Go Card please go to any train station or newsagent.

In Melbourne you will need a Myki card. To purchase a Myki card please go to any train station, 7-Eleven or newsagent. Note that in Melbourne the tram service within the CBD is free.

In Sydney you will need an Opal card. To purchase an Opal card please go to a newsagent or convenience store. You will need to add money to your Opal card when the balance gets low. This can be done either at an Opal outlet or online at [www.opal.com.au](http://www.opal.com.au).

If you are over 15 years of age, you must pay the adult fare for ALL transport. Unfortunately, International students cannot pay concession fares. Your student card does not entitle you to a discount on buses, trains and ferries.

## VISA

## WORKING

Be careful to follow the rules of your visa. If you have a student visa, remember:

- Before starting a job, you must have 'permission to work' from the Department of Home Affairs (DHA). Student visa students are automatically granted work permission once their course commences (eCOE start date).
- You can't work more than 40 hours per fortnight\* (except during holidays).

\* a fortnight starts on a Monday and finishes the Sunday of the following week

The information here is a reminder only – please check with Immigration for the exact rules that apply to you.

You will also need to get a tax file number ; if you don't, you will pay too much tax. Most people who have visas with work permission can apply online: go to [www.ato.gov.au](http://www.ato.gov.au), click on 'For individuals', go to the link that says 'Apply for a tax file number' and follow the instructions.

## WORKPLACE RIGHTS

## PART B: COLLEGE RESPONSIBILITIES

- can lodge a complaint or appeal without fear of victimisation and with assurance that the matter will be treated seriously, expeditiously and sensitively having due regard to procedural fairness and confidentiality.

## PART C: STUDENT MISCONDUCT

There may be occasions when a student's conduct is a cause of concern in relation to the safety of that student, staff or other students. Such concerns should be referred to Student Care who will arrange for assistance to be provided to the student concerned if considered warranted and in the best interests of the student.

### Procedural Fairness

The College is committed to the principles of procedural fairness and natural justice. This includes:

- the presumption of innocence unless guilt is freely admitted or proved by clear and convincing evidence,

- the right to be heard,
- the right to be treated without bias,
- the right to be informed of allegations being made and to be provided with an opportunity to respond to these,
- the right to be given reasons for any decision.

A student shall be given an opportunity to correct information and explain mitigating circumstances

No member of staff can make a determination on a misconduct matter if he or she has had prior involvement in any aspect of the allegation.

Students are entitled to due notice of any allegations of student misconduct made against them. Allegations may be amended at any time before their determination, provided the student has received notice.

Knowledge that a student has been found guilty of a past misconduct offence shall not be taken into consideration when determining guilt relating to the current allegation, but may be taken into account when considering the penalty to apply.

The College takes multiple breaches of the Student Code of Conduct seriously. Knowledge that a student has been found guilty of a past misconduct offence (whether or not the same conduct or allegation) will be taken into account when determining the penalty/ies to be imposed.

If multiple allegations of a similar nature come to light at the same time, these can be considered as one allegation if the Assistant Academic Manager believes that is appropriate in the circumstances.

The standard of proof used in determining misconduct matters is whether the Assistant Academic Manager, after evaluating the evidence presented, believes it is more likely than not that the allegation against the student has been made.

The College is committed to investigating and determining allegations of student misconduct as expeditiously as is practical recognising that a student can be significantly affected by delay in the resolution of the matter. A specified time period may be extended at the discretion of the Assistant Academic Manager.

Upon receipt of the written allegation of student misconduct the Assistant Academic Manager will, in writing, and within ten days:

- notify the student of the allegation;
- give the student a copy of this Code of Conduct;

- ask the student to answer the allegations and to provide information in relation to any mitigating circumstances the student wishes to be taken into account if the allegation is admitted;
- give the student a period of not less than seven days in which to respond;
- advise the student that he/she may bring a support person to any interview that may be held.

Where the student admits the allegation the Assistant Academic Manager may:

- impose no penalty because the Assistant Academic Manager believes that no penalty is warranted; or,
- impose one or more of the penalties that the Assistant Academic Manager believes is appropriate considering the circumstances. Some of the penalties are set out in Table 2 below; or
- advise the student within 14 days in writing of his/her determination and the reasons for it.

Notification of any adverse determination will include notice of the student's right of appeal.

Where the student denies the allegation the Assistant Academic Manager may, after investigating the matter in accordance with this policy, take action including:

- determine that the student has satisfactorily addressed the allegation/s and dismiss the allegation/s; or
- advise the student within 14 days in writing of his/her determination and the reasons for it.

Notification of an adverse determination must include notice of the student's right of appeal in accordance with the *Student Complaints and Appeals Policy*.

Where an adverse finding has been made against the student a student has 20 days to appeal the determination ("Appeal Period"). The 20 days shall start to count from the date a student is notified of the determination.

If the student does not appeal the determination then any penalty imposed will take effect upon expiry of the Appeal Period and the College shall take whatever action is necessary including reporting the student to the Department of Education via PRISMS if required.

If the student appeals the determination then any penalty will not take effect until all avenues of appeal are exhausted in accordance with the *Student Complaints and Appeals Policy*, and once exhausted the College will take the appropriate action as required by such appeal.

An appeal by the student can be based on one or more of the following:

- lack of procedural fairness in the investigation process conducted by the College;

- that the determination was manifestly unreasonable or cannot be supported having regard to the evidence.
